

KOH RONG SAMLOEM · CAMBODIA

Xanadu Resort

Premium island property with private resort living, hotel management, USD income potential and a clear investor story.

- 2026 handover
- 8–10% yearly ROI story
- Payback around 9–10 years
- From $175,866

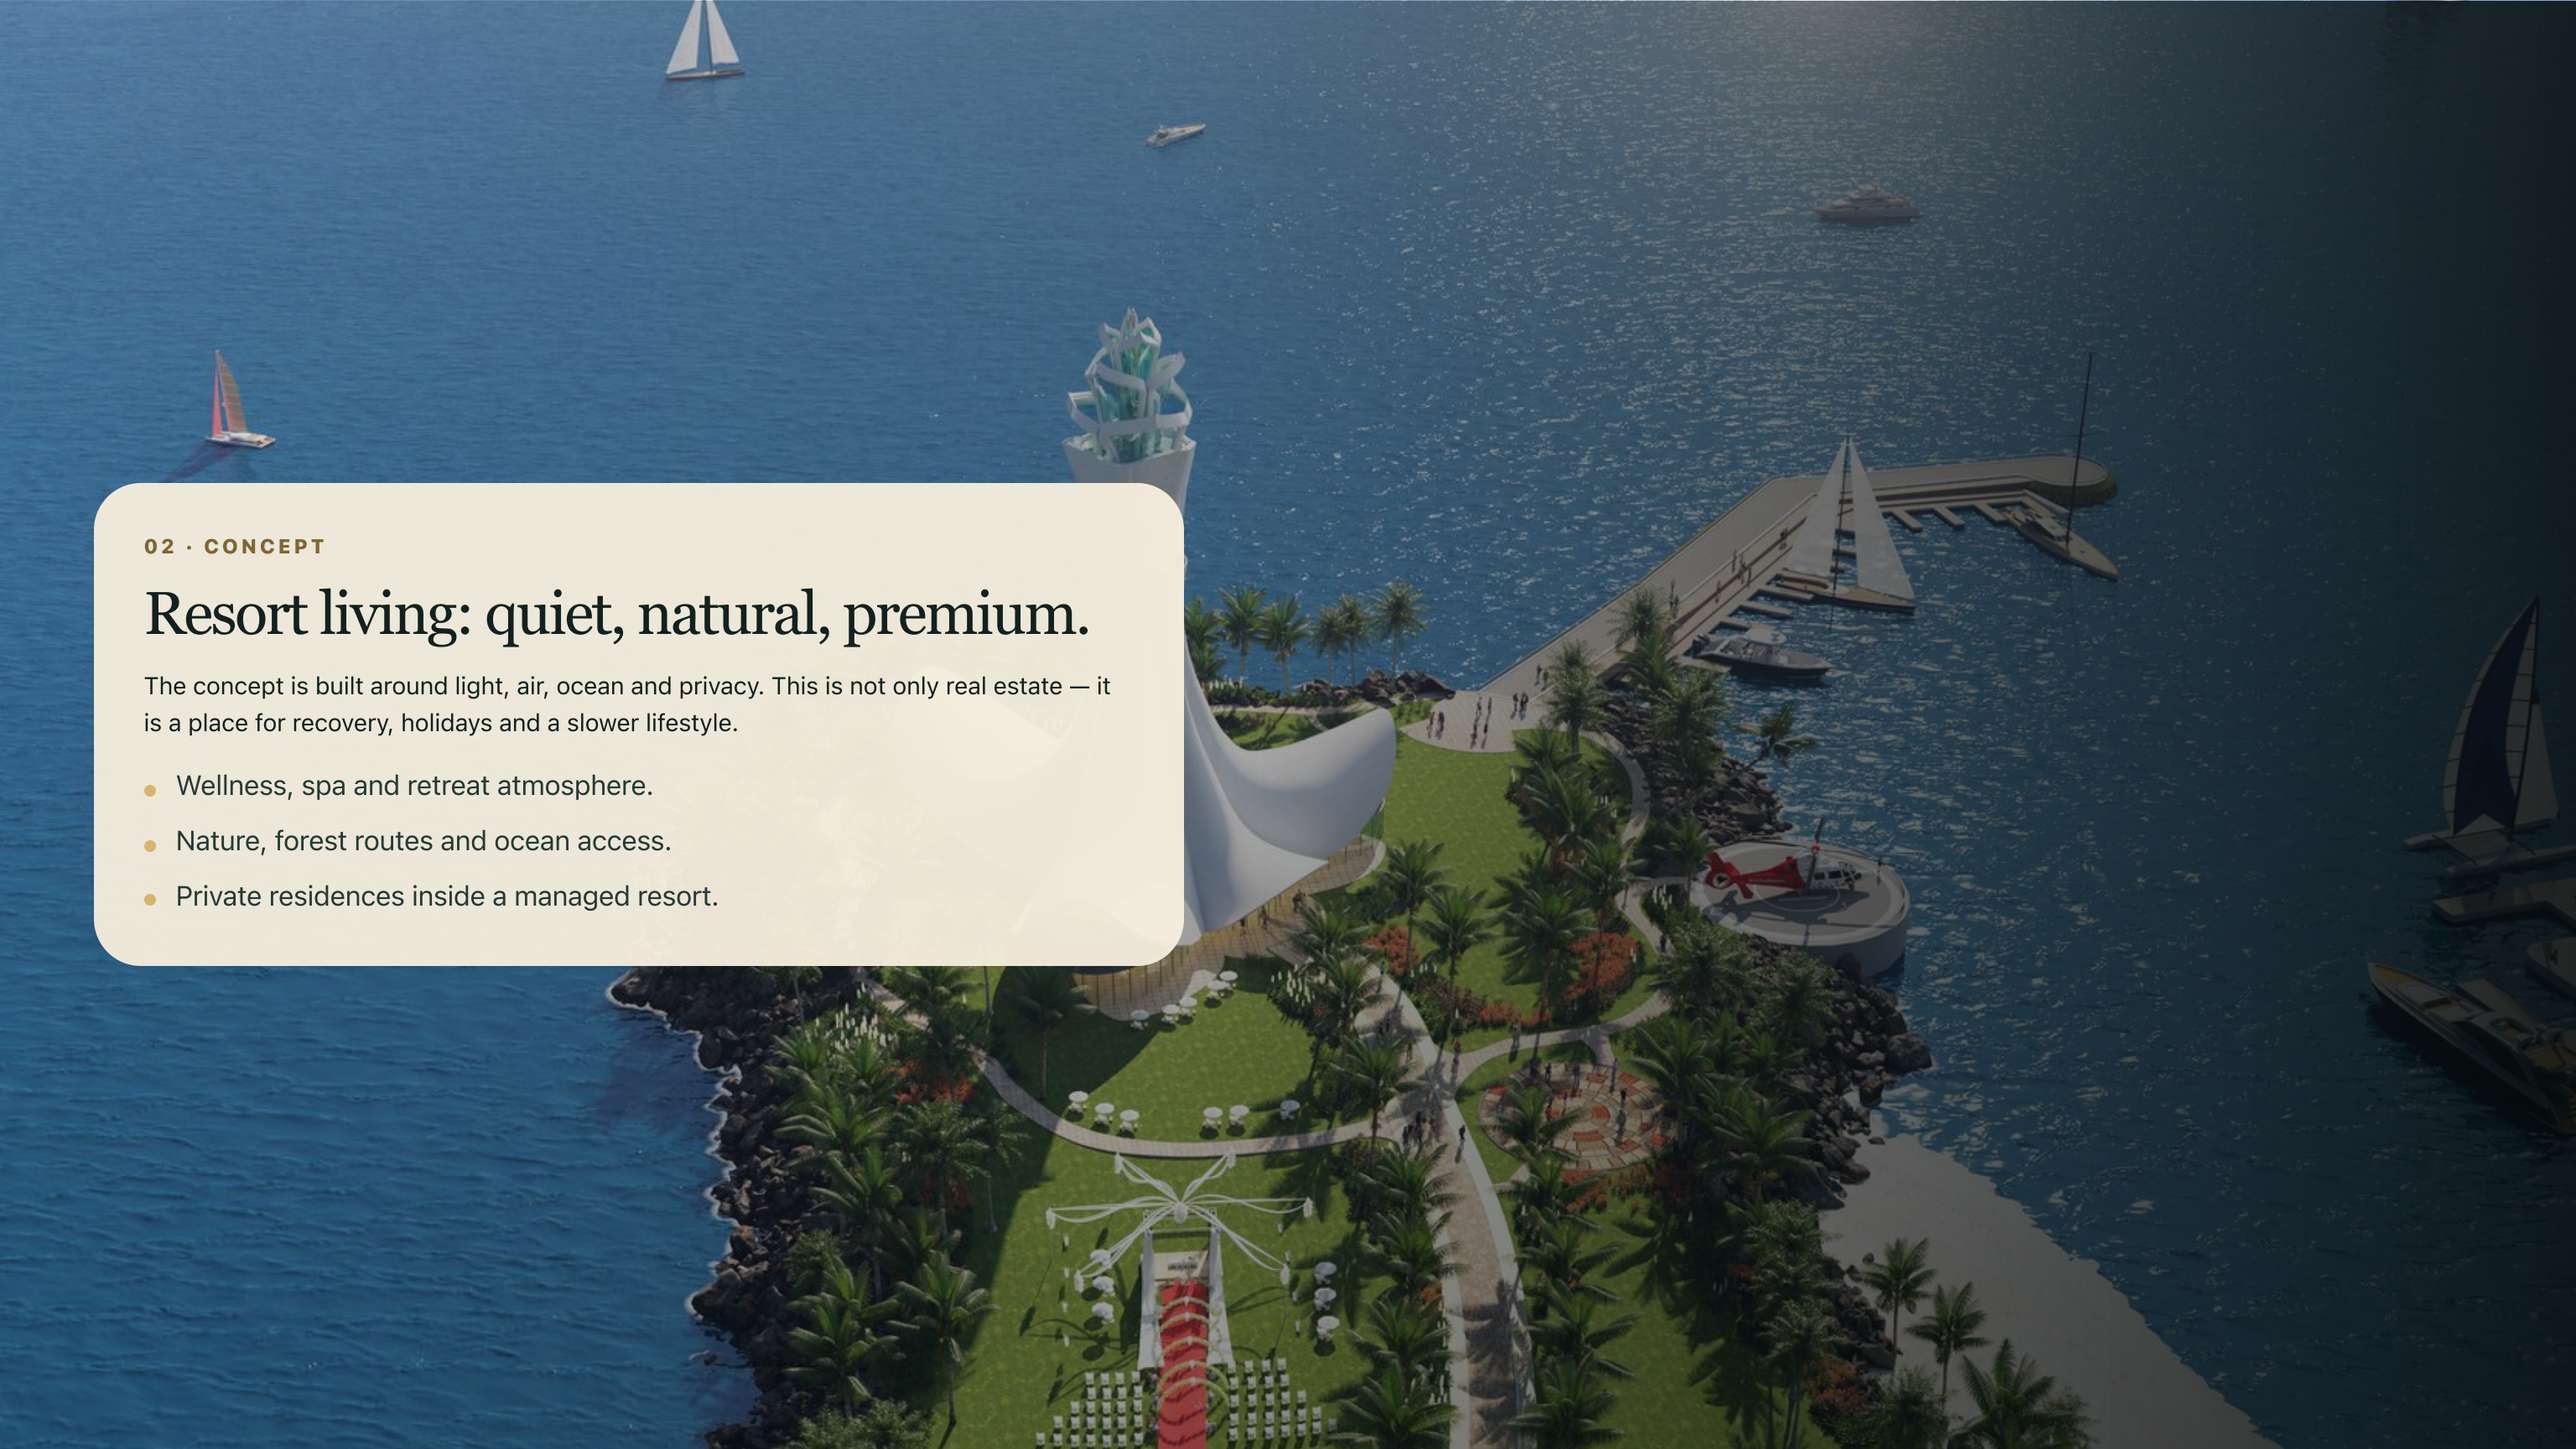

01 · PROJECT

A private island resort with limited residences.

Xanadu Resort is a premium all-season resort on Koh Rong Samloem, developed as a complete island ecosystem.

- Private villas, bungalows and apartments.
- Fully furnished, ready for personal use and rental.
- Integrated hotel management for investor income.
- Developer: Sunshine County Real Estate Group.

02 · CONCEPT

Resort living: quiet, natural, premium.

The concept is built around light, air, ocean and privacy. This is not only real estate — it is a place for recovery, holidays and a slower lifestyle.

- Wellness, spa and retreat atmosphere.
- Nature, forest routes and ocean access.
- Private residences inside a managed resort.

03 · INFRASTRUCTURE

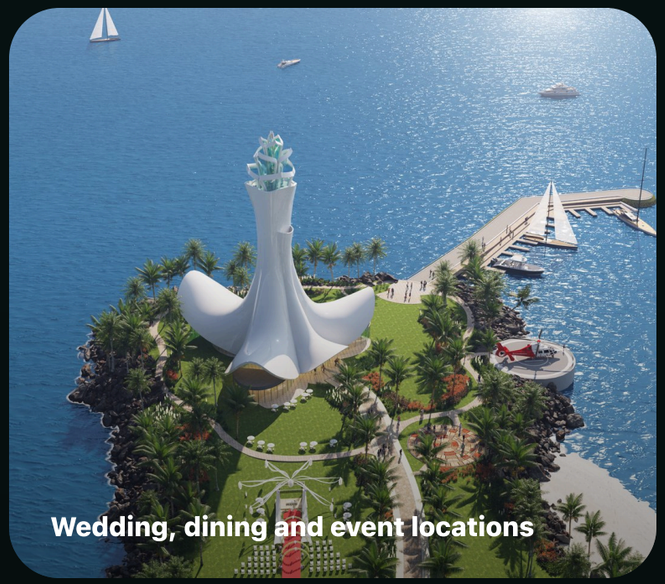

Everything needed for resort demand.

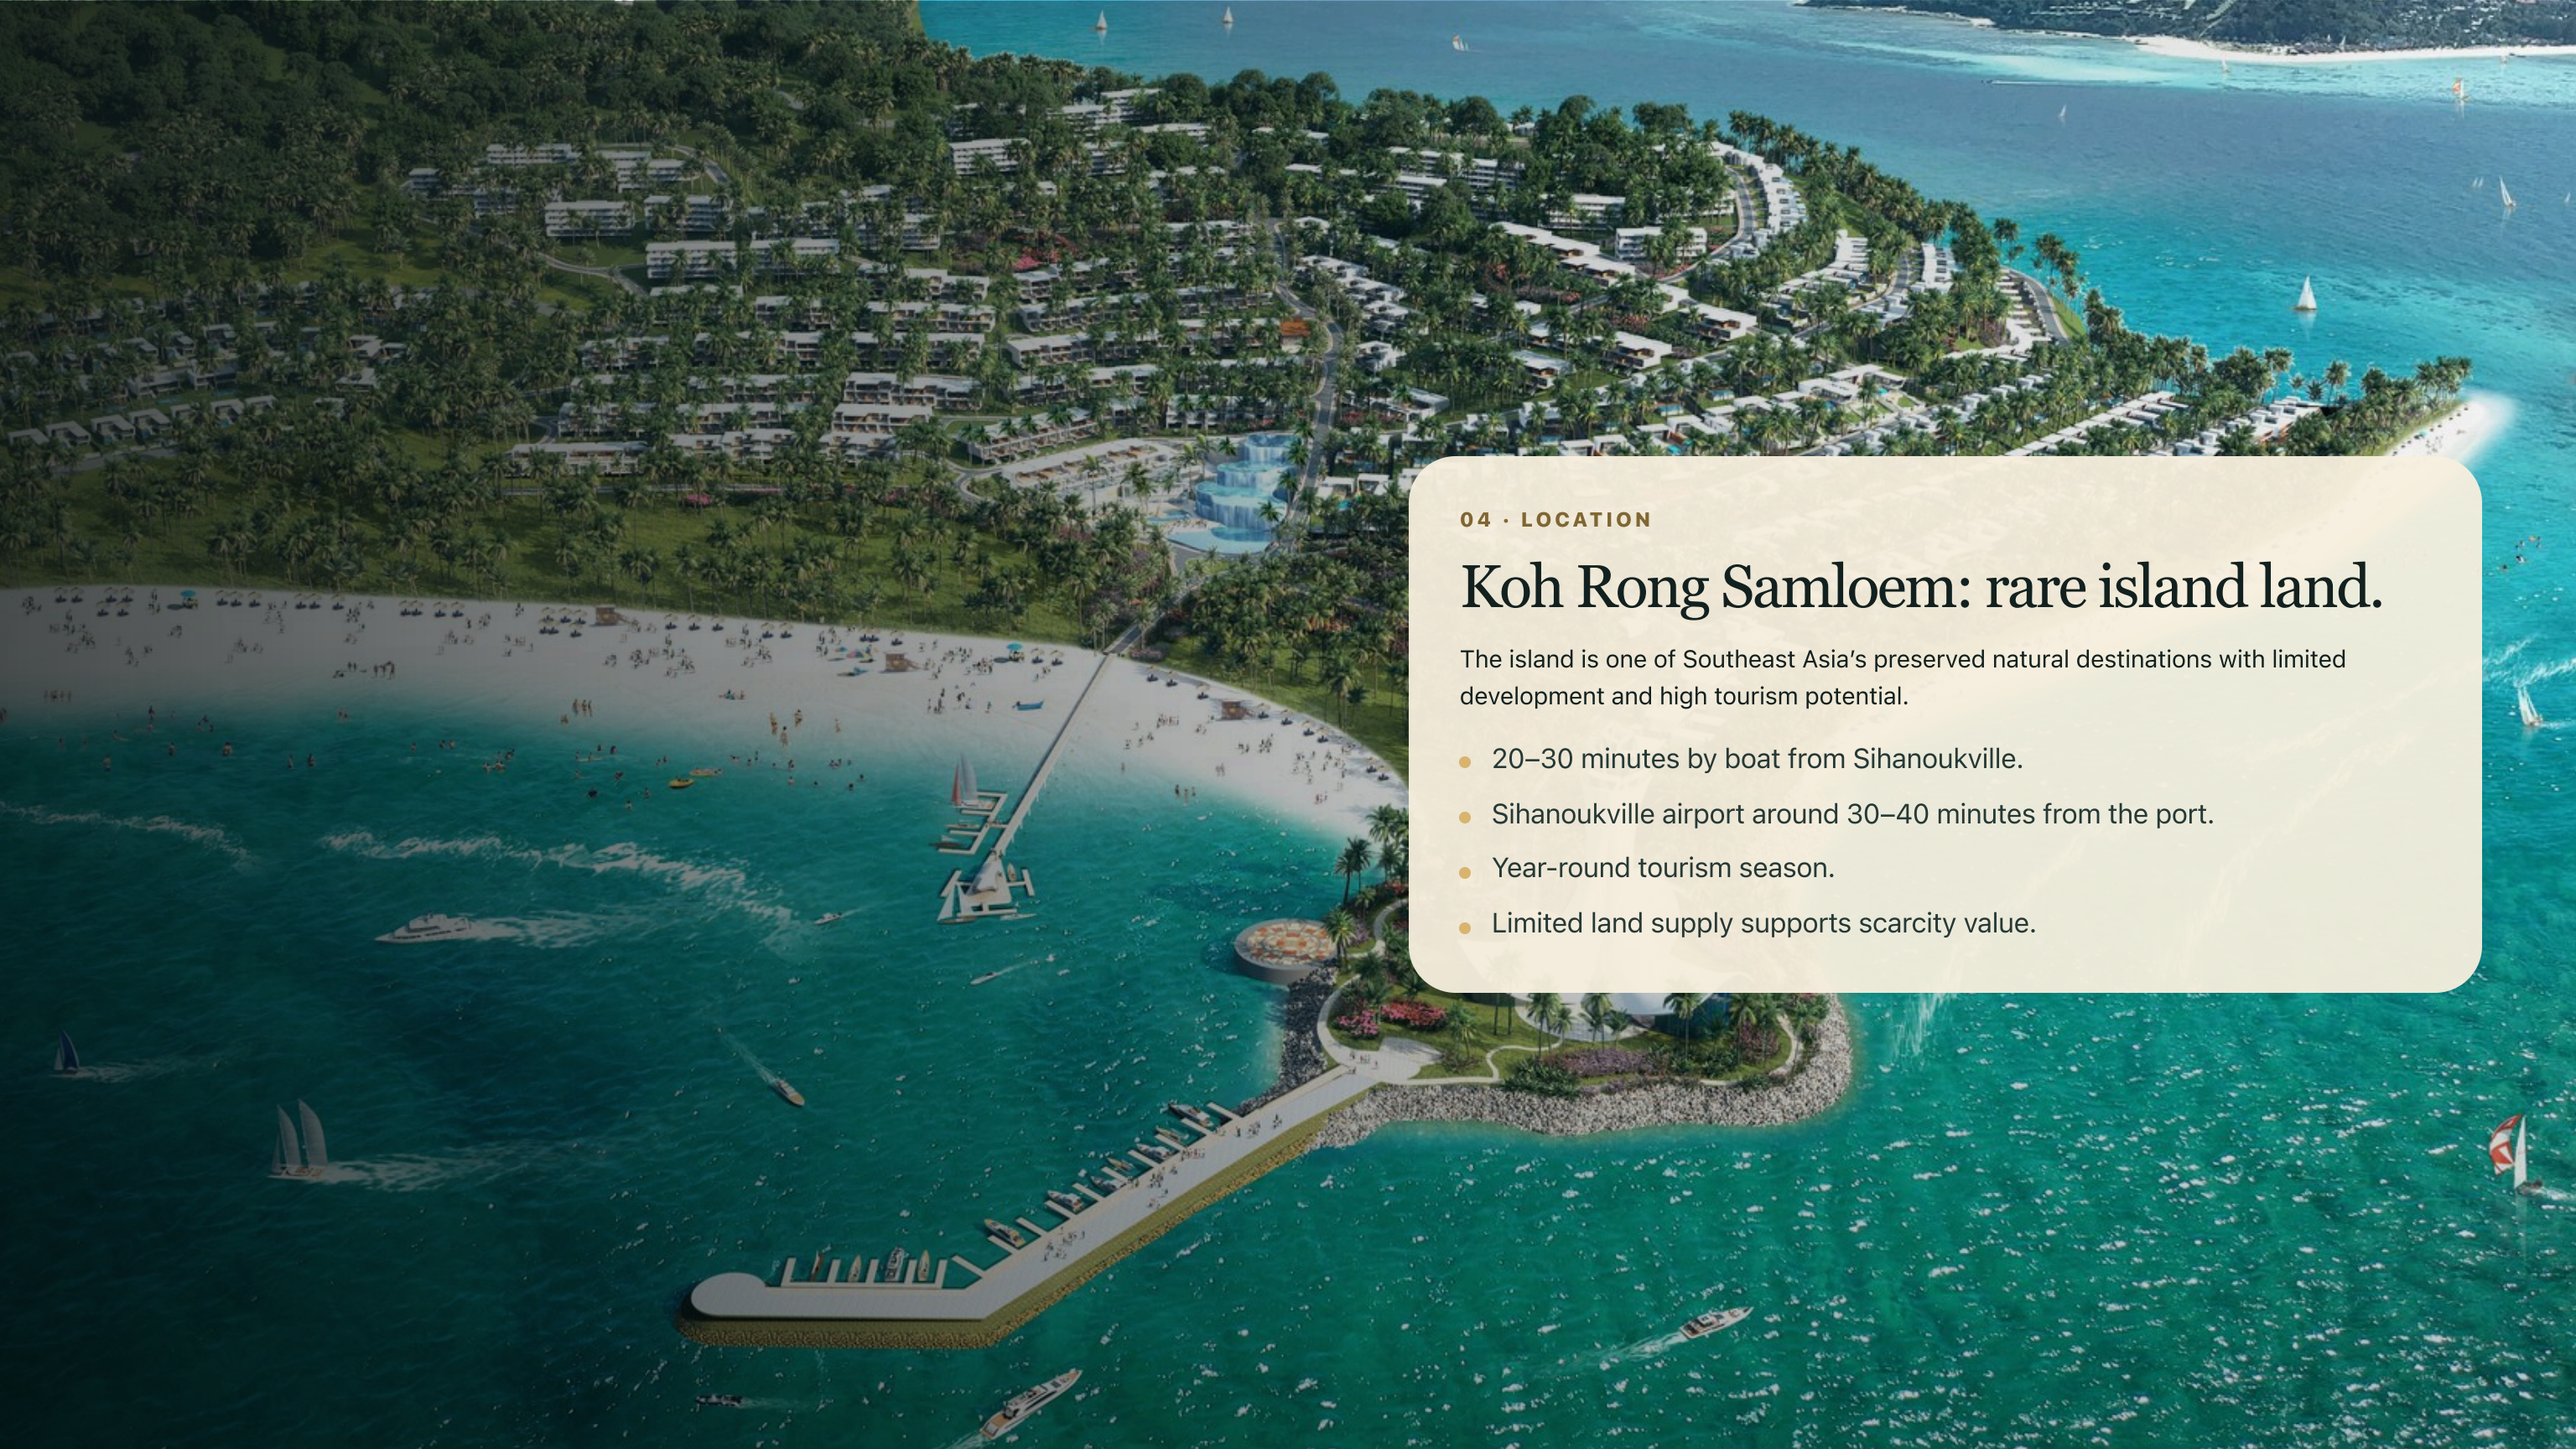

Diving, yacht club and ocean activities

Wellness, retreat and tropical nature

Wedding, dining and event locations

04 · LOCATION

Koh Rong Samloem: rare island land.

The island is one of Southeast Asia’s preserved natural destinations with limited development and high tourism potential.

- 20–30 minutes by boat from Sihanoukville.
- Sihanoukville airport around 30–40 minutes from the port.
- Year-round tourism season.
- Limited land supply supports scarcity value.

05 · RESIDENCE TYPES

Two clear product lines for buyers.

Detached Villas

Spacious private villas from about 180 m² with private pools, gardens, terraces and panoramic ocean views.

- High privacy and premium nightly rate.
- Multi-key rental potential.
- Some villas include direct beach and pier positioning.

Princess Bungalow

Compact wellness-style residences from about 59–75 m² with terraces, privacy and easy rental demand.

- Lower entry price.
- Strong option for short-stay rental.
- Recommended: G4 two-bedroom layout.

06 · VIDEO OVERVIEW

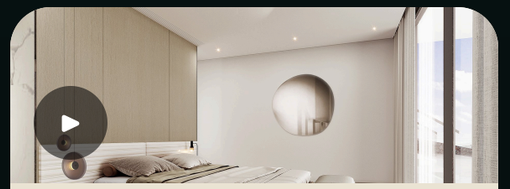

Project and residence videos are available in the folder.

Bungalow videos

In the HTML version, each video title opens the local MP4. In the PDF, these stay as clean preview cards.

07 · RECOMMENDED PLAN

Recommended: Princess Bungalow G4 with two bedrooms.

Why G4 is strong

G4 sits higher on the second tier, giving better sea views and stronger privacy. The plan has a mini-garden and a large terrace as the main living space.

- Two bedrooms + living area.
- 72.49 m² interior area.
- Large terrace with nature and ocean view.
- Both bedrooms connect to the terrace.

08 · PLAN GALLERY

More layouts for buyer comparison.

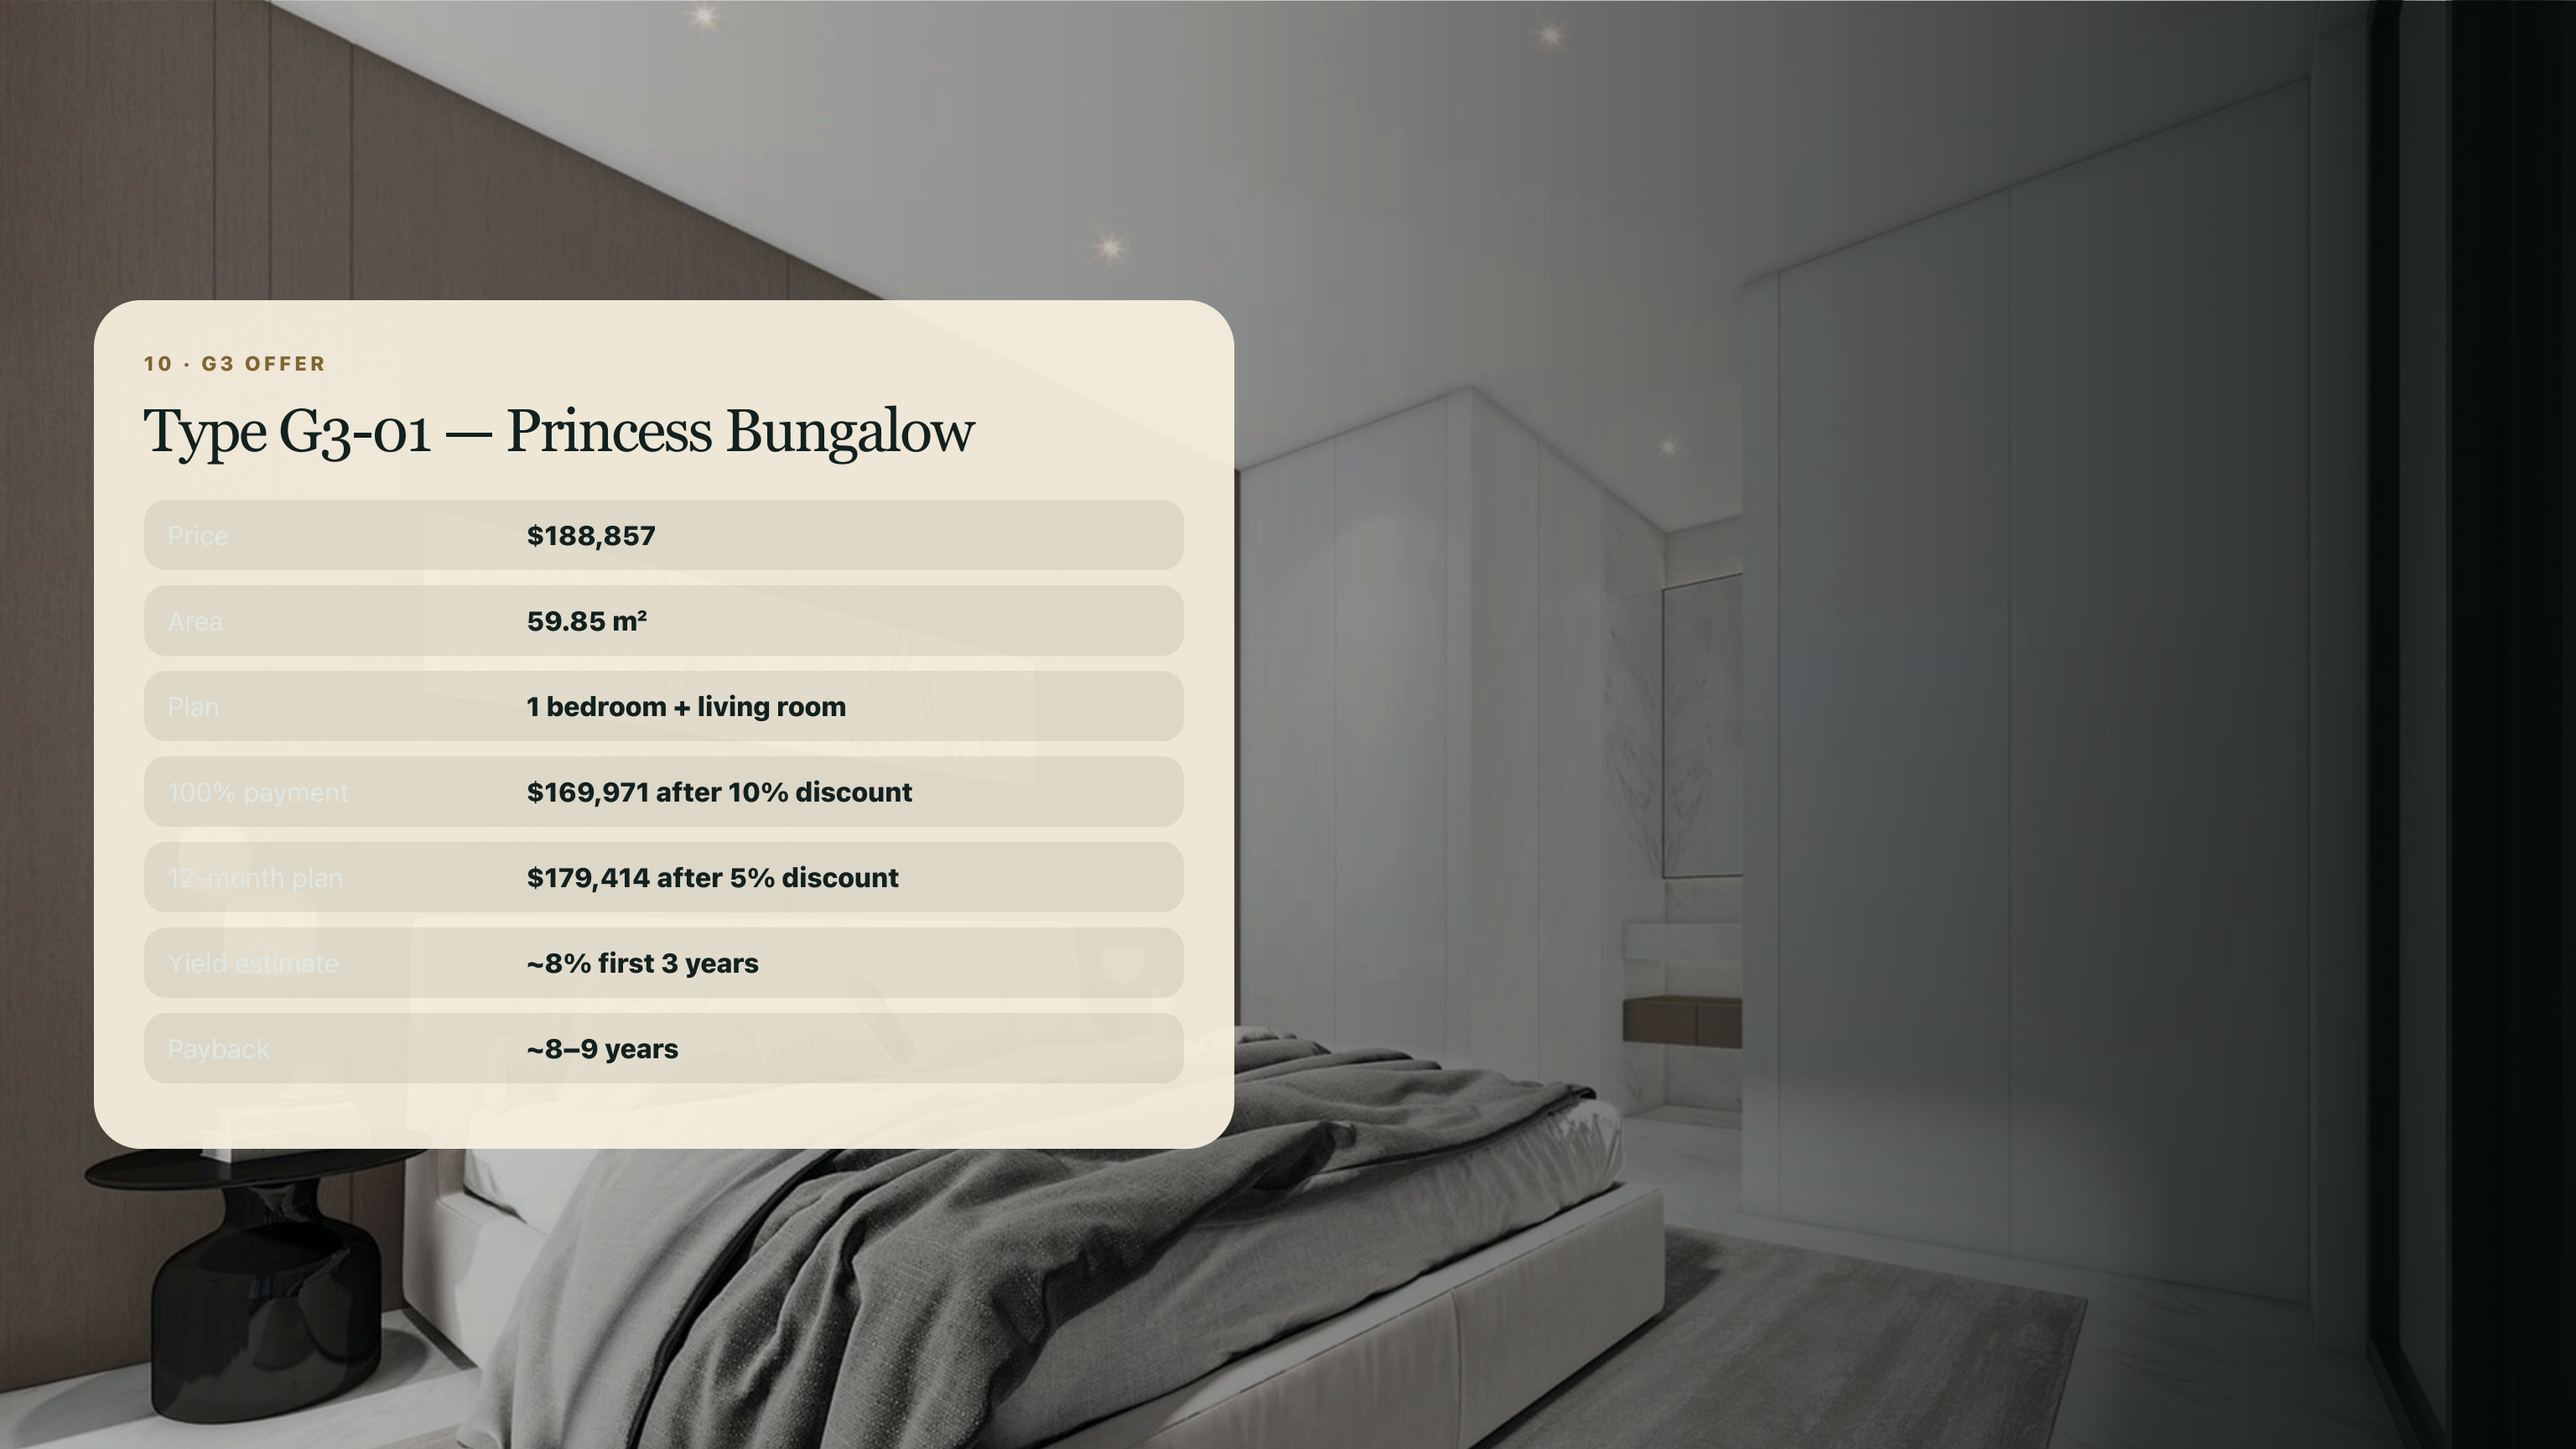

09 · G4 OFFER

Type G4-06 — Princess Bungalow

Price	**$238,683**

11 · INVESTMENT POTENTIAL

Rental agreement model: 9 years.

1–3
Guaranteed stage

8% annual income from net purchase price after discounts.

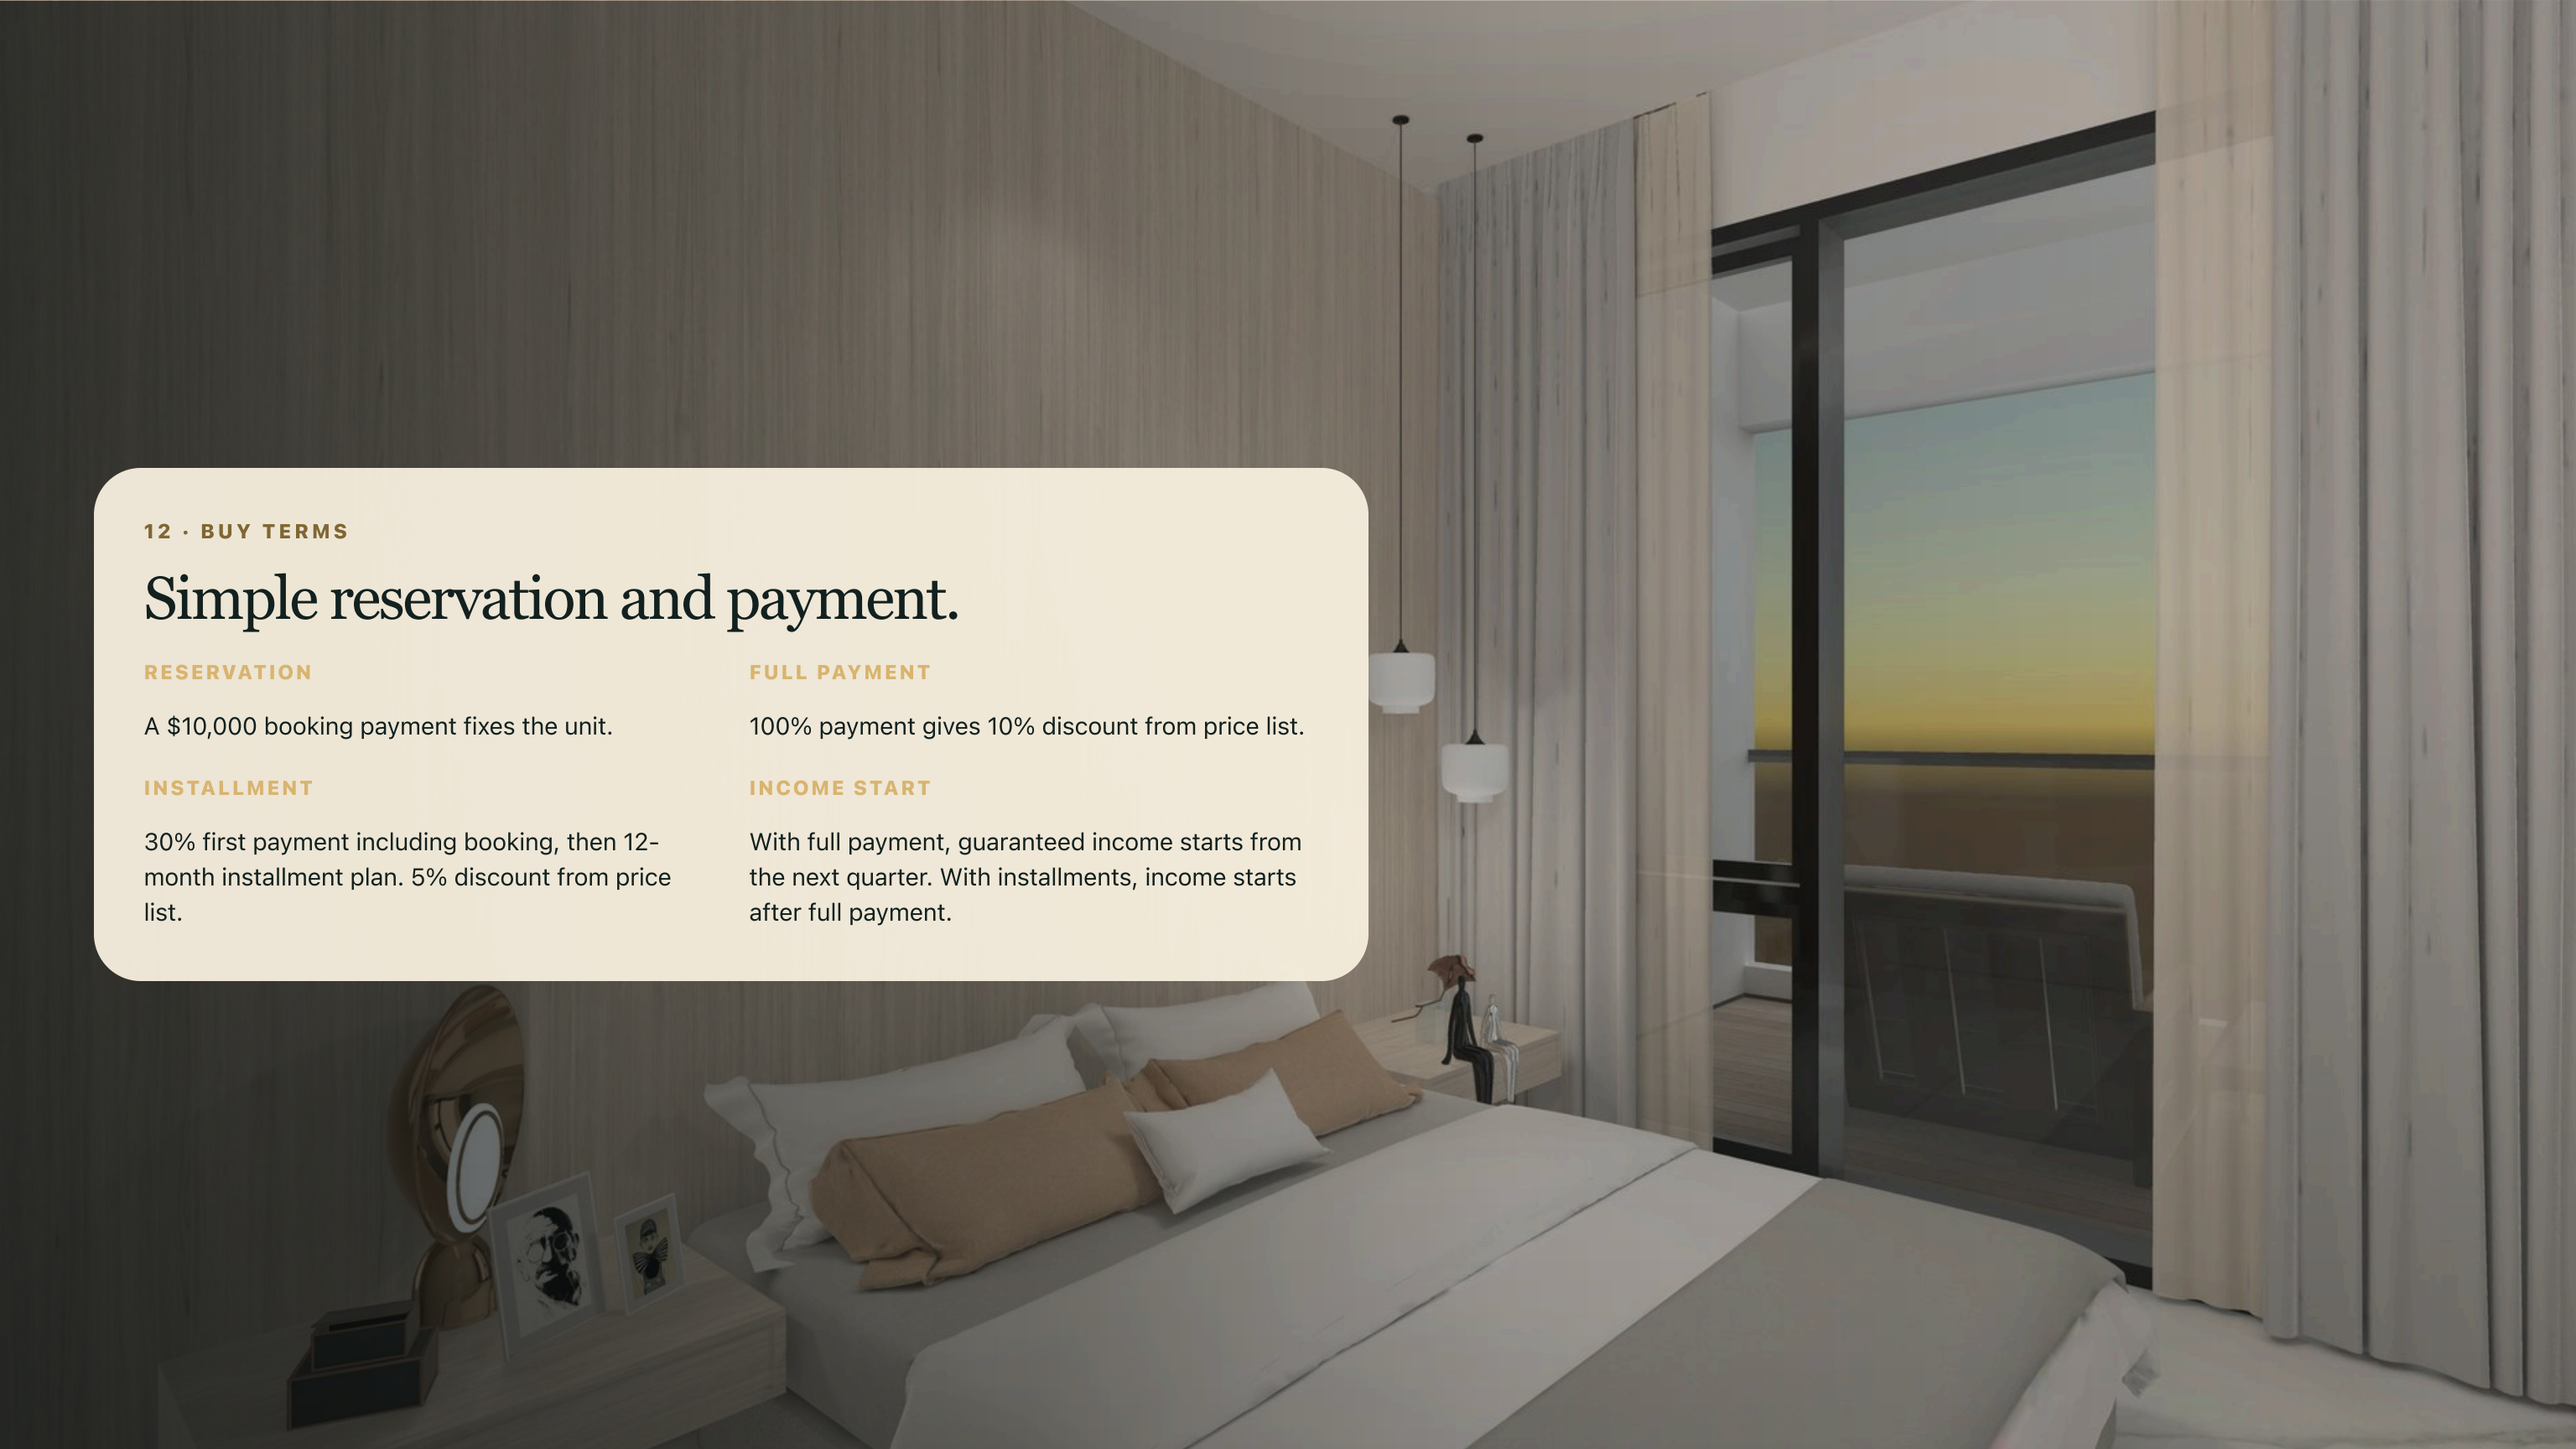

4–6
Hotel profit share

Net hotel operating profit is split 50% owner / 50% management company.

7–9
Operating income

Same profit-share model continues, based on real hotel performance.

The owner can track bookings, occupancy, income and financial performance through transparent reporting.

12 · BUY TERMS

Simple reservation and payment.

RESERVATION

A $10,000 booking payment fixes the unit.

INSTALLMENT

30% first payment including booking, then 12-month installment plan. 5% discount from price list.

FULL PAYMENT

100% payment gives 10% discount from price list.

INCOME START

With full payment, guaranteed income starts from the next quarter. With installments, income starts after full payment.
